March 22/23

ANGP tickets sold: 160 to date

50 yard signs sold

30 raffle tickets sold (\$166?)

--Mr. Eline's 6 tickets at Marketplace sold for \$60 for 6. Ours/online will raise more. We have 16 to offer and listed as one package. May split to 2 but have already sold ticket (suggestion: double their tickets if splitting into to sets of 8?).

Cotton candy machine needs maintenance or possibly buy one from this person who has 5 machines (or donate but might not get a good one then). Did not work well at last event.

Poinsettias: Friday delivery/order pick ups

Other possible dining out venues:

Chick Fil A (in works)

Dave & Busters

Hard Times (2014)

Buffalo Wild Wings?

Glory Days (1 month span but have to turn in receipts)

Taco Bamba (Univ Mall opens 12/7)?

Indian place opening in Burke near Kohl's

Photo Booth at Dave & Busters: \$850 unlimited. Can decide later

### **Notes for next year:**

**Bake Sale on election day**-- worth it (ask for donations like we did vs. pricing items). We had one "canba" (?) of coffee, serves 90, from Starbucks, donated.

**Should have also had coffee at Marketplace (we sold pizza, spirit wear, poinsettias)**

**Starbucks - ask Travis at Burke Commons Starbucks for donation**

Check if Starbucks does fundraisers (no one heard of that before)  
Ask Dunkin Donuts at University Mall?

**Katie Warner** - her daughter Sarah leads SGA - contact for advertising ANGP, polls for desired prizes, raise interest

Have a volunteer for movie night but hasn't been responsive. If doesn't work out, Joanne will handle.

- University Mall
- Usually scheduled for a Sunday night of a 3 day weekend
- Mark O'Meara (very supportive of Robo)- [mark@universitymalltheatres.com](mailto:mark@universitymalltheatres.com)
- might let us do Cinema Arts also
- \$10 movie pass including popcorn and drink. \$5 to him, \$5 to us

Amy Gephard - doing raffle tickets but not much for her to do, Angela adds orders to the spreadsheet

April - trip to Dave & Busters to scope it out for planning  
--pool tables and ping pong not worth the \$\$--they are mini (2 years ago did - waste)  
--foosball better  
--Green Screen (company: Talk of the Town) - unlimited photos - can customize, props, good quality, large size prints. Used in '16, not '17, '18 (photo strips for booth with D&B \$850)  
Stacia looking into this

DJ--Parent volunteer? Helpful for announcing prizes. Sound system/mic

In past: certain prizes you win if name drawn. Last year: name drawn, pick your prize. Do in groups of 3 kids and time limit. Better fit for their next life situation, something they want.

Need: Nurse volunteer (doesn't have to be actual nurse, just first aid ok, to hand out band aids, assess, call parents etc. If more serious can consult others too (last year had to call ambulance for a girl who africed very intoxicated and parents were not quick to come get her).

Lanyards: Have 120 of one kind and few of other kinds. Will have to order some. Different colors. OK.

624 in graduating class (75 less than last year and they and 400 attend party). Angela told D&B we would probably have 300.

Cost of D&B: 27,550 (already paid 4,000 of this)

Other expenses: Casino (different vendor), Passports, green screen/photo booth, prizes, extra cards for D&B, breakfast)

Community event fundraiser (joanne) - look at venues. Caboose @ Mosaic etc. Raffle at this - donations to get in, items donated for raffle by vendors. April?
